

Wednesday workout!

The children have settled in well and have had a busy half term. They have all grown in confidence and are exploring the entire nursery environment. They have enjoyed learning about mini-beasts, autumn and different types of vehicles. Time flies when you're having fun!

With bonfire night approaching, children may be curious about fireworks and bonfires. It's important that you highlight how to keep safe. Below are some key messages:

- ◇ Never touch fireworks,
- ◇ Don't go near any fireworks
- ◇ Stand well back from the bonfire
- ◇ Only one sparkler at a time
- ◇ Wear gloves when holding a sparkler

This half term why not have a go at some or all of the following activities:

- Make a leaf monster
- Put your wellies on and go splashing in puddles
- Go on a photo walk, taking pictures of the different coloured leaves you find
- Go jump in a pile of big leaves
- Go shopping to buy ingredient's to bake something
- Bake some cakes or biscuits

Upload the activities you do to Tapestry, then we can talk about and share them with their group when they return. If your struggling then please speak to your child's key worker. If you do other fun activities then you can upload these too. We look forward to seeing what fun you have gotten up to whilst being off.

Have a fantastic week! From all the team at Highfield Nursery School!
