

## Wednesday workout!

The children have been learning about people who help us this week. We have looked in detail at the fire brigade and doctors/nurses so far, the children have really enjoyed looking through information books and seeing photos of these occupations on google. Some of the children have been dressing up and using their imaginations to take on these roles and become a fire fighter or a doctor/nurse.

This week why not have a go at some or all of the following activities:

- Count how many emergency service vehicles you see when you're out walking
- Talk to your children about the different kinds of people who help us and their roles.
- Look at photos online of these occupations.
- Role play with your children, taking on different roles for people who help us.
- Introduce new words for your children to learn
- Share your adventures with your key worker either face to face or on Tapestry.

As the weather is getting colder, please ensure that children attend nursery with appropriate clothing suited to the weather. It is also very muddy outside, please send them in footwear you don't mind getting dirty. Children will have access to the outdoors in all weathers every day "There's no such thing as bad weather, only unsuitable clothing" -Alfred Wainwright

Have a fantastic week! From all the team at Highfield Nursery School!
