

## Wednesday workout!

We have been having a focus on speaking this week and learning new words. Some of the children have been taking part in chattering chimps and talk boost, which are sessions to help with children's speaking. Christmas is approaching and we have been talking to the children about how the baby elves in Santa's workshop need dummies, next week (18th December) we will be having a dummy drop so that the children can give their dummies to the baby elves! Ask at reception for an envelop to donate your child's dummy.

This week why not have a go at some or all of the following activities:

- Talk to your children about all the different coloured and shaped decorations you can see and get them to describe what they can see
- Add describing words to your child's sentences, e.g. if they say bauble, reply "yes a red bauble" or "yes a round bauble"
- Draw a picture or write a letter to the baby elves to post in our post box next week

As the weather is getting colder, please ensure that children attend nursery with appropriate clothing suited to the weather. It is also very muddy outside, please send them in footwear you don't mind getting dirty. Children will have access to the outdoors in all weathers every day "There's no such thing as bad weather, only unsuitable clothing" -Alfred Wainwright

Have a fantastic week! From all the team at Highfield Nursery School!
