

Wednesday workout!

Edward the elf has come to visit our nursery this week, the children have been very excited each day to see what he has been up to overnight! So far Edward has made a tree decoration out of salt dough, used scissors to make a snowflake, explored the brussel sprouts in the water tray and built a chimney in the construction area.

This week why not have a go at some or all of the following activities:

- Tell your key worker if an elf has been to visit your house, why not bring us a photo of what he has been up to
- Talk to and point Edward the elf out to your children as you bring them into nursery
- Write a letter to Edward and bring it into nursery for him
- See how many other elves you can spot whilst you're out and about
- Draw a picture to give to Edward

As the weather is getting colder, please ensure that children attend nursery with appropriate clothing suited to the weather. It is also very muddy outside, please send them in footwear you don't mind getting dirty. Children will have access to the outdoors in all weathers every day "There's no such thing as bad weather, only unsuitable clothing" -Alfred Wainwright

Have a fantastic week! From all the team at Highfield Nursery School!
