

Highfield Nursery School
Data Breach Reporting Form

The aim of this document is to ensure that, in the event of a security incident such as personal data loss, information can be gathered quickly to document the incident, its impact and actions to be taken to reduce any risk of harm to the individuals affected.

The checklist can be completed by anyone with knowledge of the incident. It will need to be submitted and reviewed by the Data Protection Officer who can determine the implications for the school, assess whether changes are required to existing processes and notify the ICO / data subject where appropriate.
