

Fantastic nursery, literally could not fault it! Staff are amazing and very friendly. My daughter loved it here and I was gutted when she left to start school. Keep up the good work guys, you are amazing!

Fab Nursery! My boys have come on in leaps and bounds since starting. Thank you!

Would not fault the facilities or the staff in any way. They are amazing and genuinely go out of their way to help my child and myself.

Excellent Nursery, they have been fantastic with our adopted daughter, thank you

There is not a single person there who doesn't belong! They all make an effort to know names and behave accordingly to how my child feels comfortable.

Brilliant nursery and great staff! Very easy to approach staff about any concerns. The children always come home smiling every-day, telling us how much fun they have had playing, there's lots for the children to do and they always have a great time.

Thank you!

Amazing Nursery. All the team at Highfield are brilliant and you can really tell they care about all of their children. Highfield are also fantastic supporting children with their development and supporting them to meet their milestones. Can't fault this nursery, I would highly recommend to a friend!

Wonderful nursery! The SEN provision within the nursery has been amazing for our son. His key worker and all the staff are brilliant. Always gives good communication to let us know of any progress/ concerns. All staff are approachable and friendly. This nursery has been the best place for our son with additional needs! Thank you, you are the best!
